Dear Mr. Miller:

Your letter of April 13, 2005 on "Detailed Action" was not only informative but also very helpful to me in developing the following corrections

Based on your decisions, I dropped all the rejected claims and reformulated my claims 5 and 11(Allowable Subject Matter) into an independent claim and three dependent claims. These claims required an addition of Fig.12 and Fig.13.

These changes required me to incorporate corresponding changes in Drawings- Reference Numerals on page 6, a new paragraph [0042] on page 9, a new CLAIMS on page 10 and a new ABSTRACT on page 11.

I am therefore submitting a revised text with changes cited above and a REPLACE-
MENT DRAWING SHEET to describe Fig. 12 and Fig. 13.

I sincerely hope that I followed your instructions correctly to satisfy all the pertinent requirements.

Sincerely yours,

Kueun Choi
